Ceiling fan

Exterior

Powered patio awning w/wind sensor and LED lighting

KeyOne® lock system

Porch light

Powered entrance awning w/LED lighting

Lighted storage compartments

Driver's side docking/service light

Lighted stepwell

Slideout storage compartment tray

Storage containers w/lids (4)

Automatic entrance steps

Auxiliary side lamps

Full-width mudguard

Lower front protective mask

Premier clearcoat automotive finish

Rear mud flaps

Heating & Cooling System

TrueAir® Maximum Comfort air conditioner, 13,500 BTU (2 cooling units 36M; 3 cooling units 40R, 42E)

Air conditioner heat pumps

2-20,000 BTU ducted furnaces (36M)

1-20,000 BTU ducted furnace and 1-25,000 BTU ducted furnace (40R, 42E)

Multi-zone thermostat

Electrical System

Service Center lighted, cable input, 50-amp. power cord, QuickPort®, shoreline/generator automatic changeover switch, portable satellite hookup

2,800-watt inverter/charger w/remote panel w/battery disconnect

8,000-watt Cummins Onan® Quiet Diesel™ generator

Cummins Onan Energy Command™ automatic generator start system

Auxiliary start circuit

AC/DC electrical distribution system

6 deep-cycle Group 31 marine/RV AGM batteries

Battery disconnect system (coach and chassis)

PowerLine® Energy Management System

Automatic dual-battery charge control

Chassis battery charger/maintainer

Exterior TV jack and AC duplex

Plumbing System

Service Center pressurized city water hookup w/diverter fill, freshwater drain, drainage valves, exterior wash station w/pump switch, holding tank flushing system, 20' sewer hose w/QuickConnect®, QuickPort

On-demand water pump

10-gallon water heater 110-volt/LP gas w/motoraid

TrueLevel™ holding tank monitoring system

Winterization Package water heater bypass valve, siphon tube, and diverter valve

Full-coach water filtration system

Permanent-mount LP tank w/gauge

LPG accessory connection (patio area)

Heated holding tank compartment

Safety

LP, smoke, and carbon monoxide detectors

10 BC fire extinguisher

Ground fault interrupter

Fog lamps

High-mount brake lamps

Daytime running lamps

Warranty⁷

12-month/15,000-mile basic limited warranty⁸

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2 The floorplans feature a wide-body design -- over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.

3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.

4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

7 See separate chassis warranty.

8 See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at the time of printing. Please consult your dealer for individual vehicle features and specification.
