("Newell") agrees to sell and Purchaser agrees to buy for the price set forth in this Agreement the motor coach described herein, subject to the terms and conditions of the Coach Order ("Order"). Point of Purchase and Delivery: The offices of Newell, North Highway 69, Commerce, Oklahoma.
2. Newell follows a policy of continual product improvement and refinement. As a result, changes to standard equipment and features, specifications, and optional equipment may occur at any time. In addition, certain changes, including those described in the prior sentence, may be made as a result of events and occurrences beyond the control of Newell.
3. The Purchaser agrees to promptly provide Newell with any additional information and decisions as may be necessary to complete this Order. In the event that the Purchaser fails to notify Newell of additional information or decisions, and a delay in completing this Order could result, the Purchaser authorizes Newell to exercise Newell's best judgment in determining how to proceed so as not to delay completion of this Order.

4. Purchaser agrees to deliver to Newell negotiable title to any property traded in as a part of the consideration for the coach ordered hereunder at the time of delivery of such trade-in property to Newell. Purchaser warrants any such property to be his/her property, free and clear of all liens and encumbrances except as otherwise disclosed and noted herein. SELLER FURTHER WARRANTS THAT THE TITLE FOR ANY SUCH TRADE-IN PROPERTY IS "CLEAR," AND CONTAINS NO WARNINGS OR NOTIFICATIONS SUCH AS "SALVAGE," "REBUILT," "JUNK," OR "REMANUFACTURED" UNLESS SUCH NOTIFICATION HAS BEEN DISCLOSED TO NEWELL IN WRITING AND ACCEPTED BY NEWELL IN WRITING PRIOR TO THE EXECUTION OF THIS CONTRACT. 5. Newell shall not be liable for failure to deliver or delay in delivering the coach covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the control of Newell.
6. The price for the coach specified on the face of this Order does not include sales taxes, use taxes, or license fees. Purchaser agrees to assume sole responsibility for the full and proper payment of any and all such taxes and fees.

8. Unless specifically agreed in writing to the contrary, Newell is under no obligation to extend or arrange for the extension of any credit to complete this transaction. The Purchaser, before or at the time of delivery of the motor coach covered by this Order, will execute such forms of agreement or documents as may be required by the terms and conditions of payment or credit terms requested by the Purchaser. If Purchaser is seeking the extension of credit from Newell or from a third party in order to complete settlement, Purchaser agrees to promptly furnish such information and execute such additional written documents, notes, contracts, and agreements as is normal industry practice or may be reasonably required for the extension of such credit. In consideration for the extension of any credit to complete settlement, it is specifically agreed that a first lien against the motor coach has been created in favor of Newell or its assignees.

10. From time to time prior to completion of this Order and delivery of the coach, changes to the specifications or pricing may be made by mutual agreement of the Purchaser and Newell. Newell will document such changes by written Change Orders with a copy furnished to the Purchaser. Such invoice may reflect adjustments to the new coach price, or if a trade-in is a portion of the consideration, the difference price, made by mutual agreement of Newell and the Purchaser. Payment by the purchaser or his/her agent of the balance due as shown on such invoice shall indicate the agreement of the purchaser to the revised coach price as shown on such invoice. Further, if a trade-in is a portion of the consideration, the difference price shown on the invoice shall constitute the agreement between the Purchaser and Newell as to the amount thereof. Consistent with industry practice, any trade-in allowance shown on this Order or on the final invoice may be higher than the actual cash value of the trade-in. Purchaser and Newell agree that, in the event a dispute arises between the parties concerning this Order or if this Order is rescinded or terminated in whole or in part for any reason, the allowance for the trade-in may not represent the actual cash value of the trade-in. The parties agree that the actual cash value of the trade-in shall be calculated as the net resale price obtained by Newell less reconditioning and servicing at Newell's normal retail prices and less ten percent allowance for Newell's overhead and selling expenses.

Third Party Supplier Agreement Addendum

1755

Purchaser may request that Newell incorporate certain customer design details or materials the customer obtains from third parties. Newell may be unfamiliar with special installation requirements or performance parameters of the design detail or installation requirements.

Newell agrees to use its best efforts to properly and economically incorporate such design details or materials, subject to the following:

- a. Purchaser agrees to furnish Newell in a timely manner with any installation requirements that deviate with Newell's regular production techniques so as to preclude delays in construction or installation.
- b. All prices quoted by Newell and included in the Agreement or Change Orders for custom design details and materials obtained from third parties are Newell's best estimates based upon the information available. Purchaser and Newell agree that should unanticipated issues arise that increase production cost of materials or labor due to the custom nature of the detail or material, such increased costs will be charged to the Purchaser at Newell's standard labor and material pricing.
- c. Purchaser and Newell agree that the only guarantee of performance or workmanship that applies to custom details from third parties and incorporated at Purchaser's request is the guarantee provided by third party vendors or designers. Newell does not guarantee the performance of materials or design details provided by third parties.
